

## OUR MISSION:

We are an Open and Affirming congregation of the United Church of Christ, welcoming all, respecting our rich heritage as one of Frederick's oldest churches and serving the present as a leader in social action and service to the community.

The Evangelical Reformed United Church of Christ is committed to proclaiming God's love for all people as we work to help our neighbors near and far. Our mission reaches individuals and organizations in these major areas:

- Organizations historically connected to ERUCC
- Reaching our neighbors without adequate food, shelter, physical and mental health care
- Open and Affirming is the UCC's designation for congregations, campus ministries, and other bodies in the UCC which make a public covenant of welcome to persons of all sexual orientations, gender identities, and gender expressions
- UCC Wider Mission: United in Christ's love; a just world for all.
